

Everything You Want in a CDMO. Nothing You Don't.

From Draw-to-Thaw™,
cell therapy services tailored
to your needs

Why Choose Us?

Committed to collaboration, Comprehensive Cell Solutions (CCS) combines the technology, expertise, and capacity you need to bring your novel cell therapies from discovery to commercialization. Here's what you get when you work with us:

- + Reduced timelines, lower costs:** Quality is non-negotiable. Get more from your investment with our efficient, integrated approach to development.
- + Decades of experience:** Our multidisciplinary team has demonstrated skill across cell therapy science, technologies, and regulatory compliance.
- + Platform-agnostic capabilities:** We can adapt, de-risk and optimize your process with access to state-of-the-art tools and systems.
- + Confidence and peace of mind:** Dedicated project managers and quality assurance oversee every program.
- + Value added resources:** Our position with the NYBC Enterprise provides access to an expansive donor network, research, and testing operations.
- + Transparency and trust:** More than a service provider, we're companions on your journey.
